

It's almost that time of year! We have a great group of coaches and volunteers eagerly anticipating the upcoming season.

**Registration Information:**

Registration will open February 17th. You have two options for registration, online or by mail. If you choose to register online you can pay online (Paypal) or by mailing a check. Unfortunately in person registrations at the school are not allowed this year because of the school restrictions.

**Please Note:** In the best interest of players it may be necessary to make arrangements with Brownsville/The-resa to have optimal numbers for team development (except T-Ball and Pony). Every option will be weighed for your child to provide them with the best playing experience possible. This is for boys and girls.

We do have online registration available. Online registration can be found on our website, [lomiraathleticassociation.com](http://lomiraathleticassociation.com). If you prefer the paper form please fill out the paper registration and mail to the address below.

**Fond du Lac, WI 54937**

**Registration deadline is March 10th.**

**Registration Fee Information:**

Registration fees are listed on the registration forms.

In addition to the registration fee a \$100 check per family is required. This check is held to ensure volunteer participation. This check will be returned or shredded as long as you fulfill your volunteer work. If you are paying registration fees online this check will need to be given to your teams coach prior to the first practice.

**Volunteer:**

Thanks to the hard work and dedication of our board, coaches, and parents, we are able to forego any official fundraisers. However we still need help in running the concession stand throughout the summer, as well as our spring clean-up. If you are able to help, please show up on April 17th to help clean up. We have quite a lot to do to recover the park from no activity last summer so we have a second clean up date April 24th if necessary.

**Concessions:**

Every parent will be expected to work the concession stand for the tournaments. No Exceptions! Parents with a son and daughter will work both tournaments. The opt out box on the registration form only applies to league games. T-ball parents are not expected to work concession stand but are highly encouraged to get involved and help out when they can. This organization is built on volunteers, we need everyone's help in order to succeed and keep our registration fees low. Thank you!
